

# MWM Analysis

Anna MacFarlane

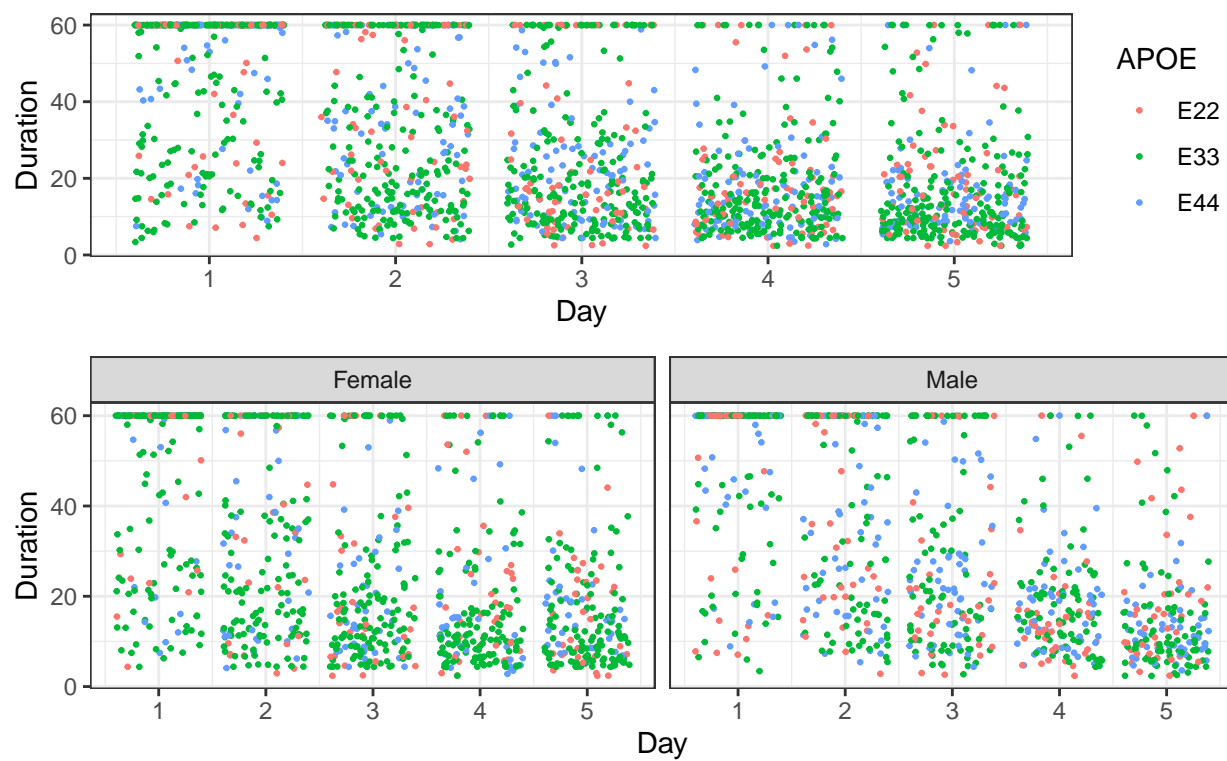

## MWM Duration – HN genotypes

Males and females

## MWM Duration – non-HN genotypes

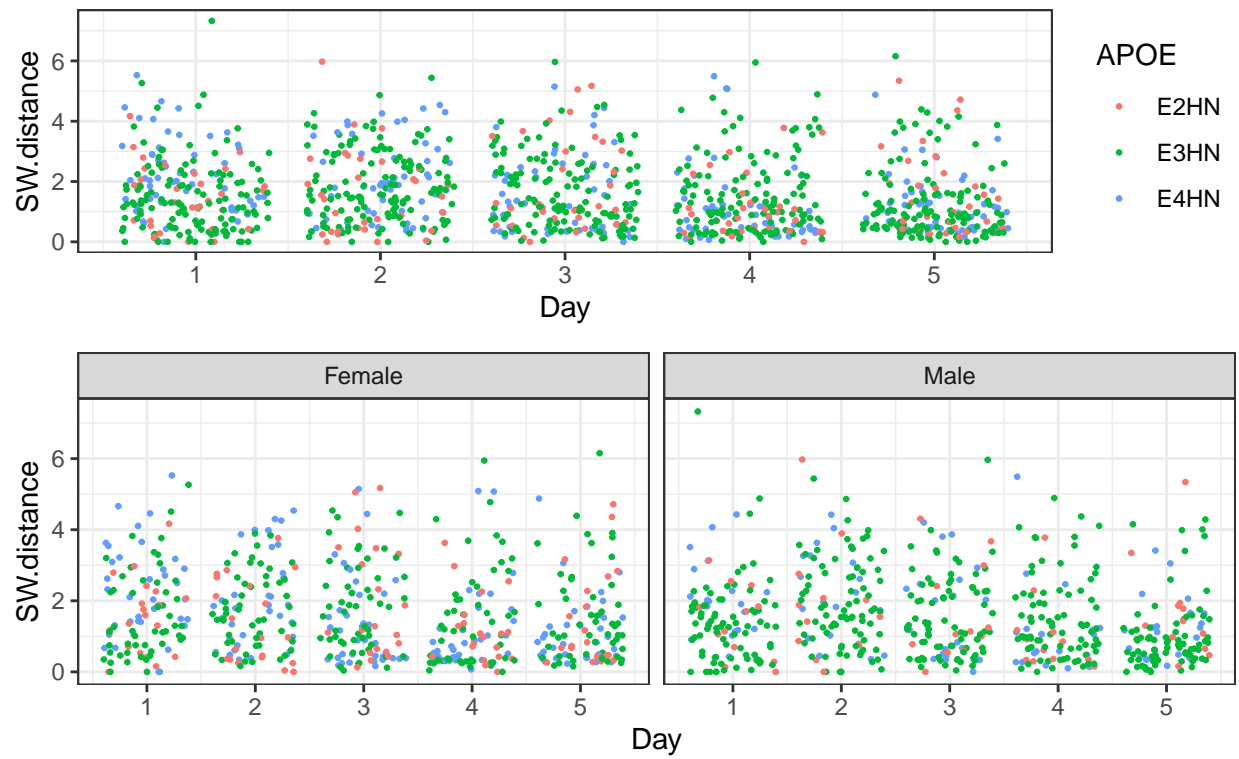

Males and females

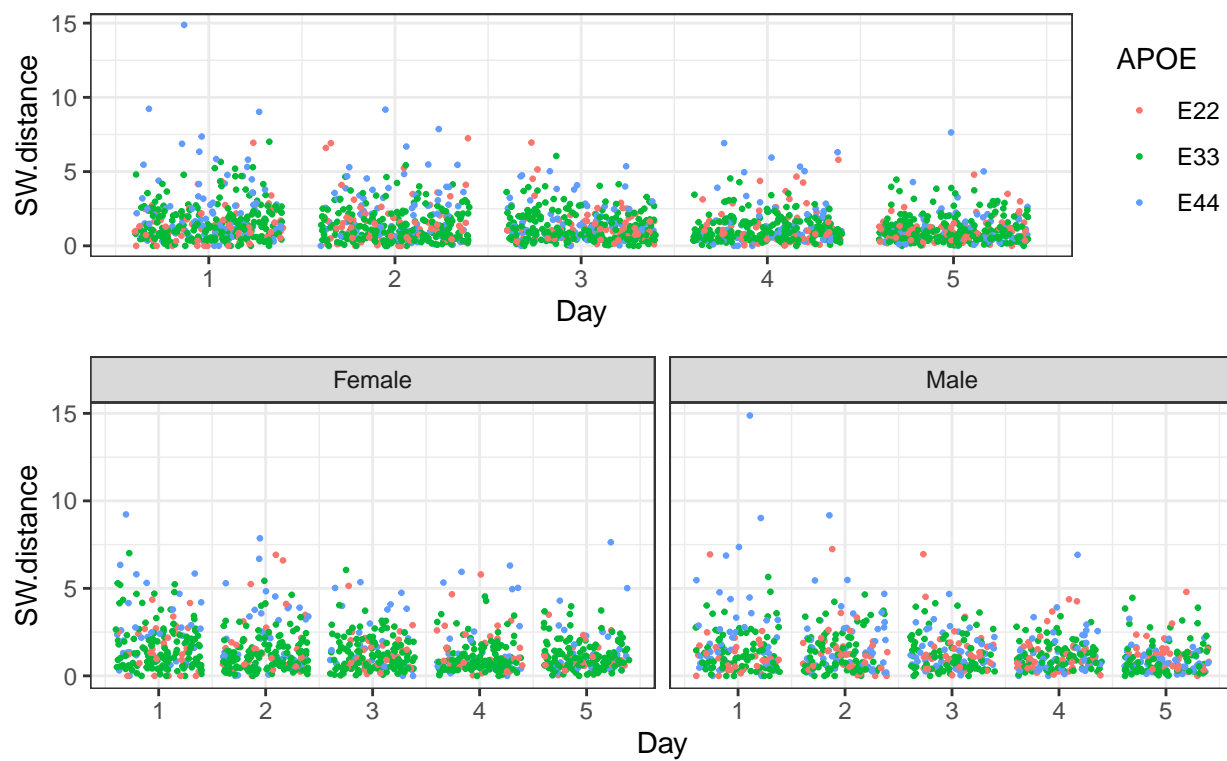

## SW Distance – HN genotypes

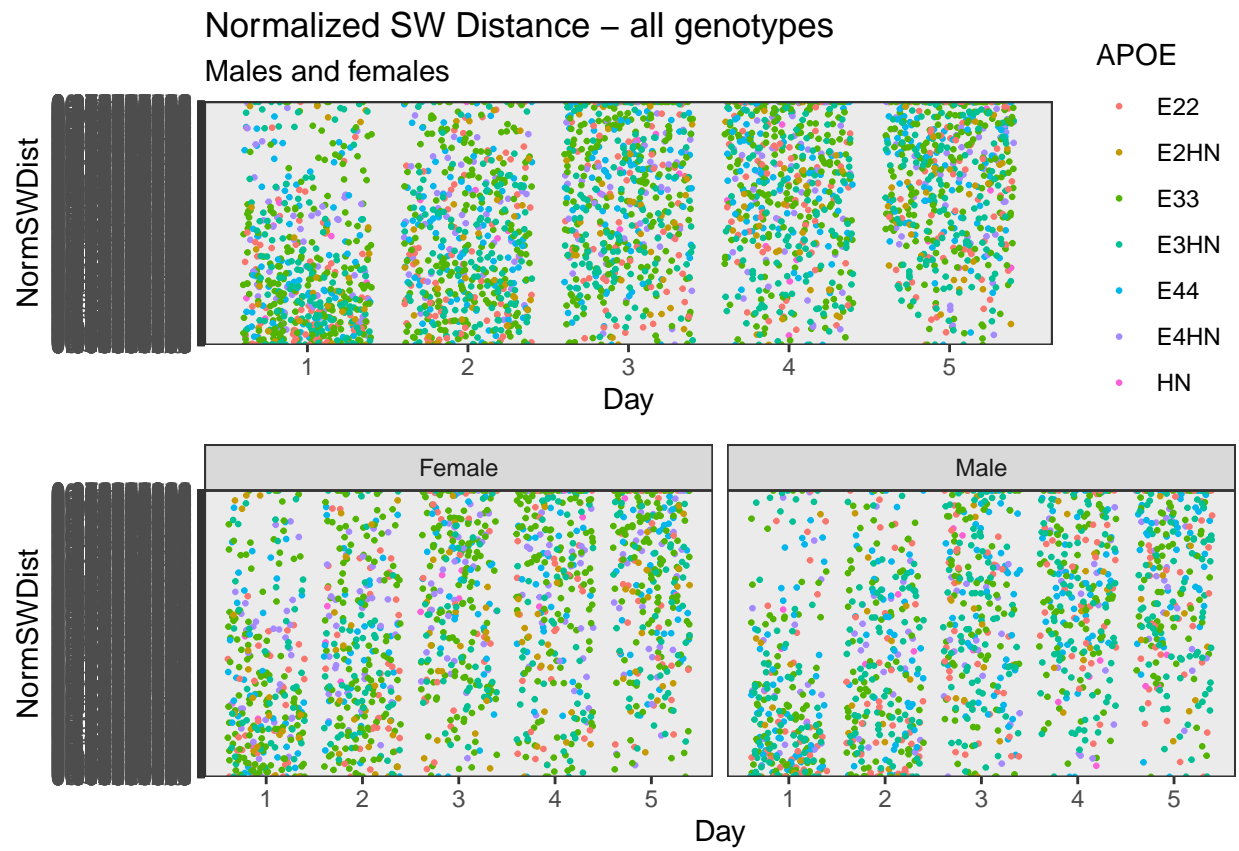

Males and females

## SW Distance – non-HN genotypes

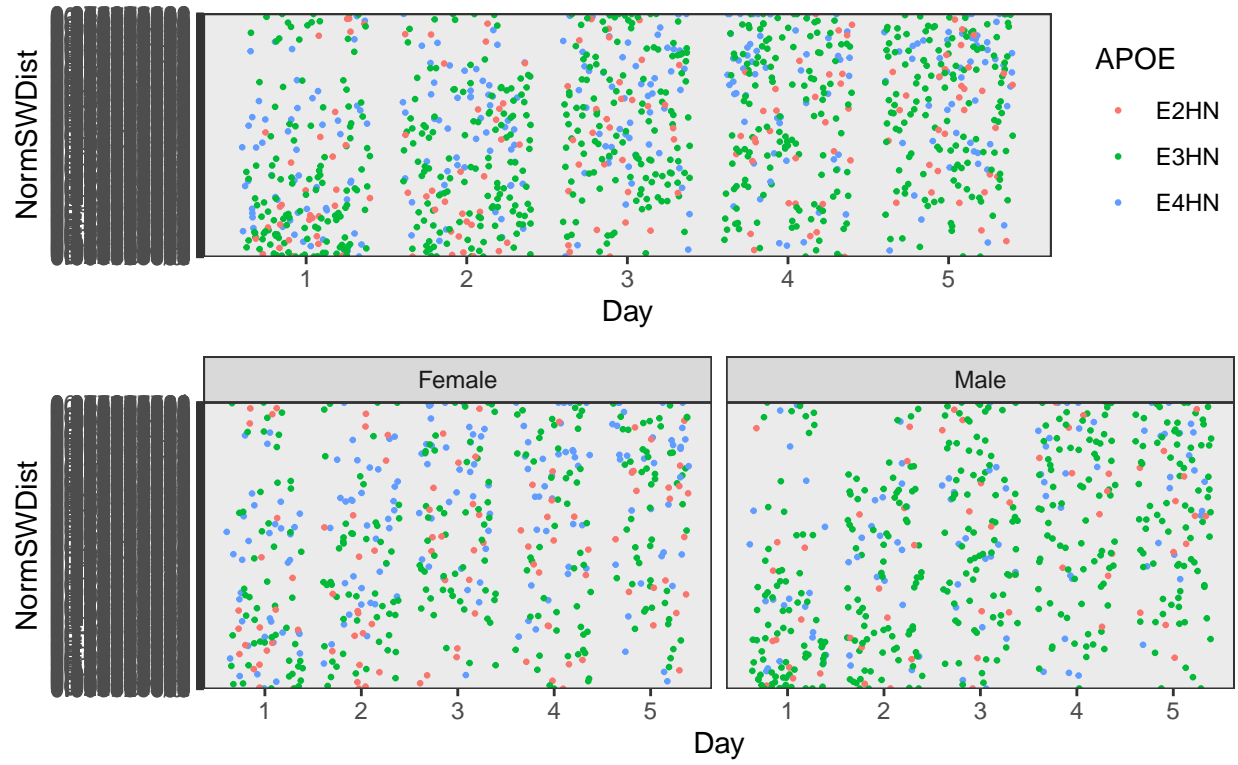

Males and females

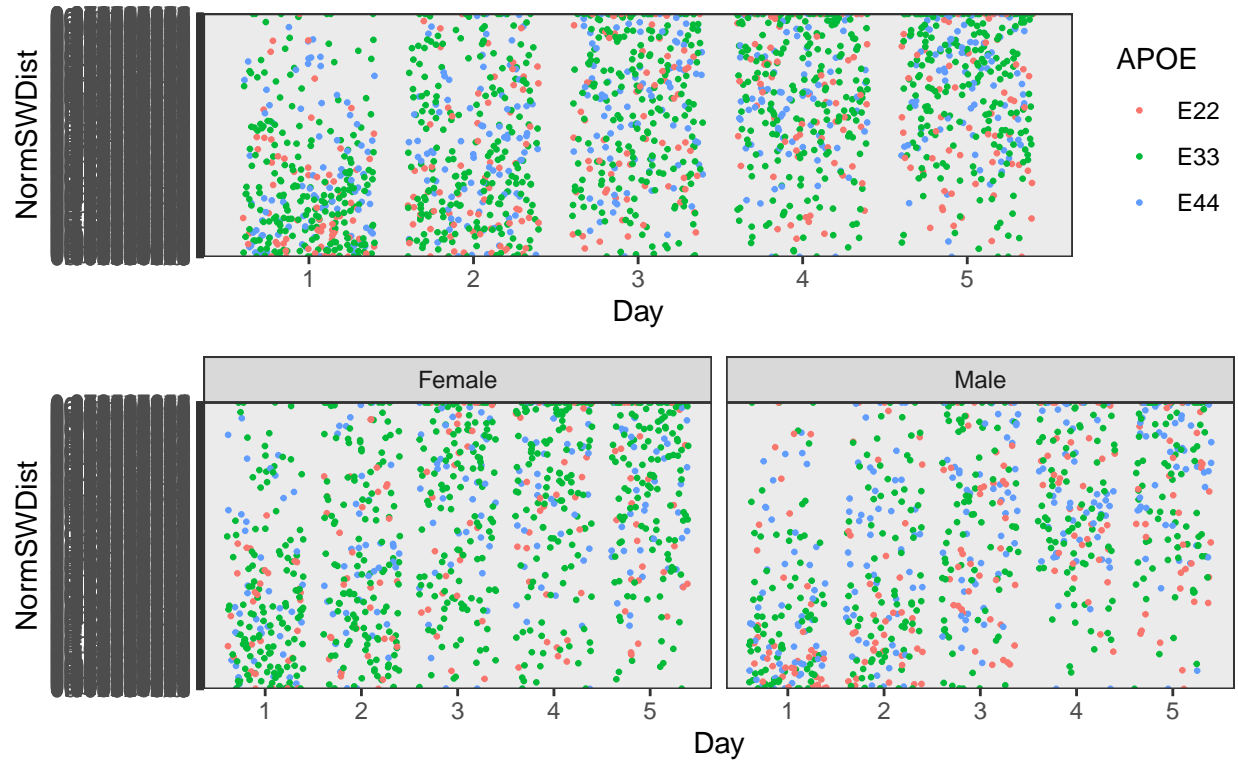

## Normalized SW Distance – HN genotypes

Males and females

Normalized SW Distance – non-HN genotypes  
Males and females

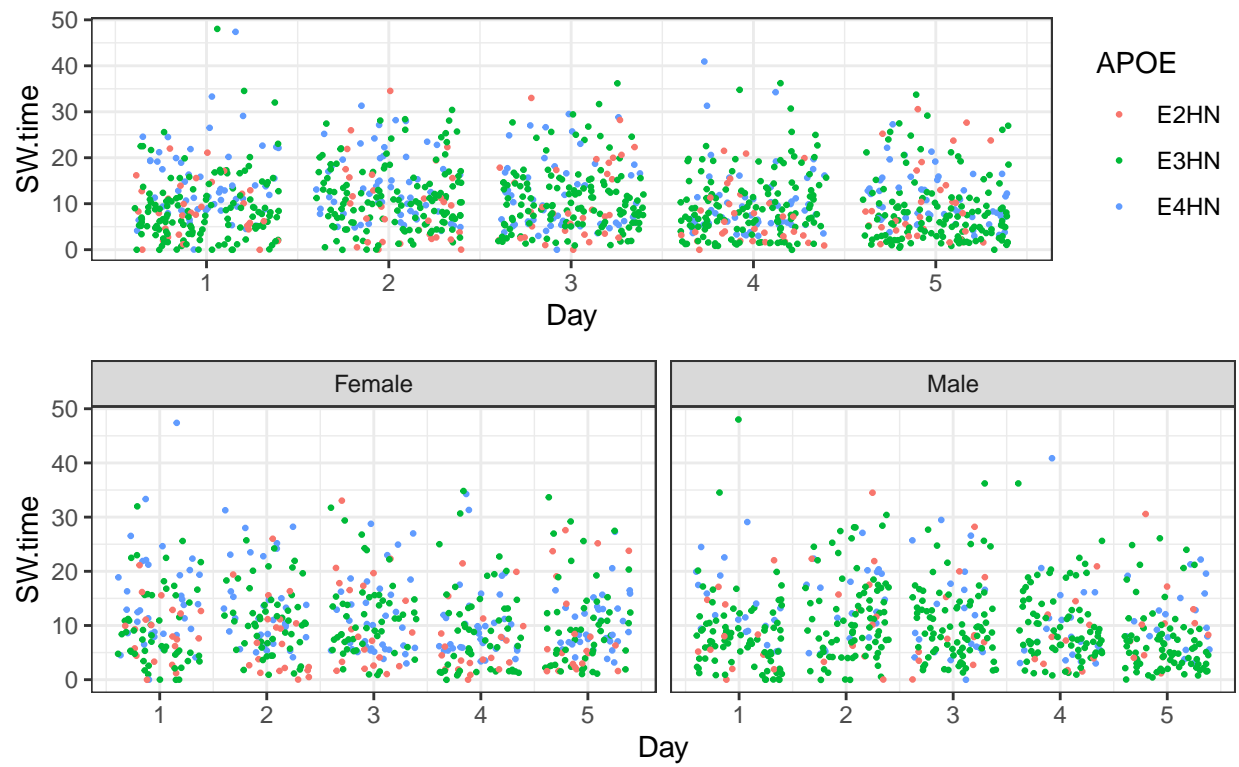

## SW Time – all genotypes

Males and females

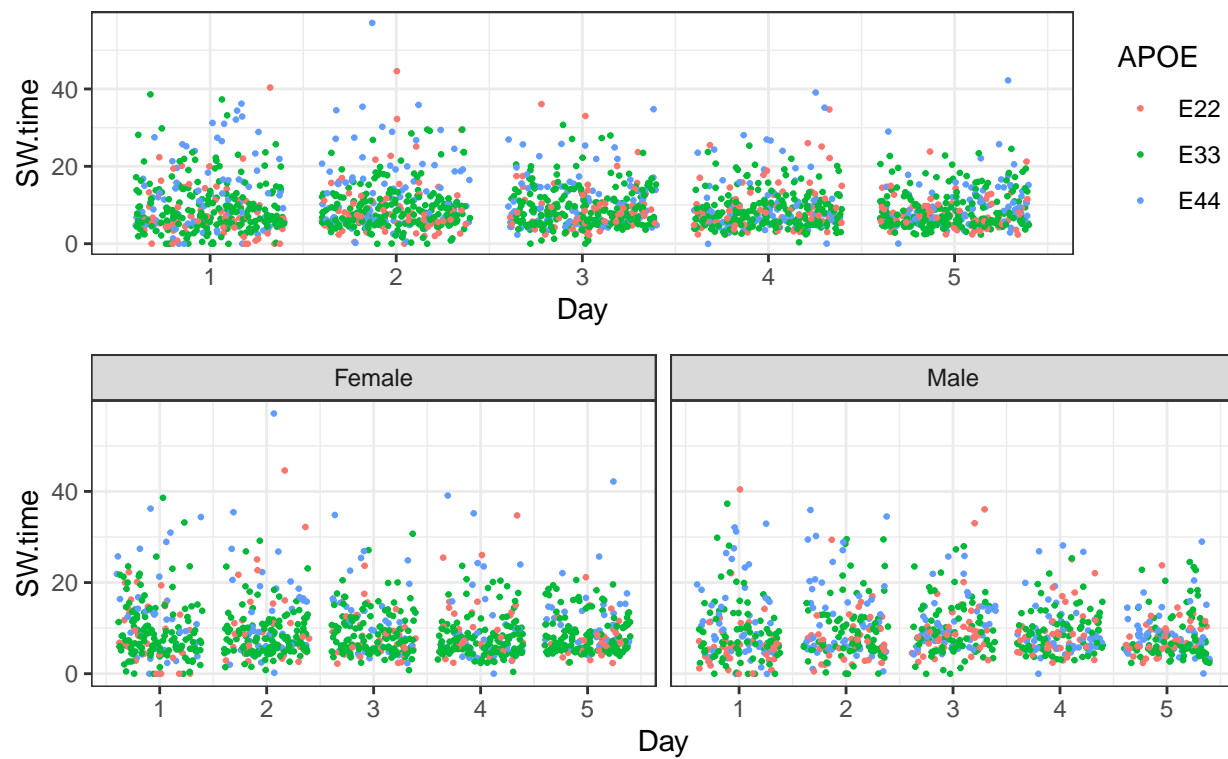

## SW Time – HN genotypes

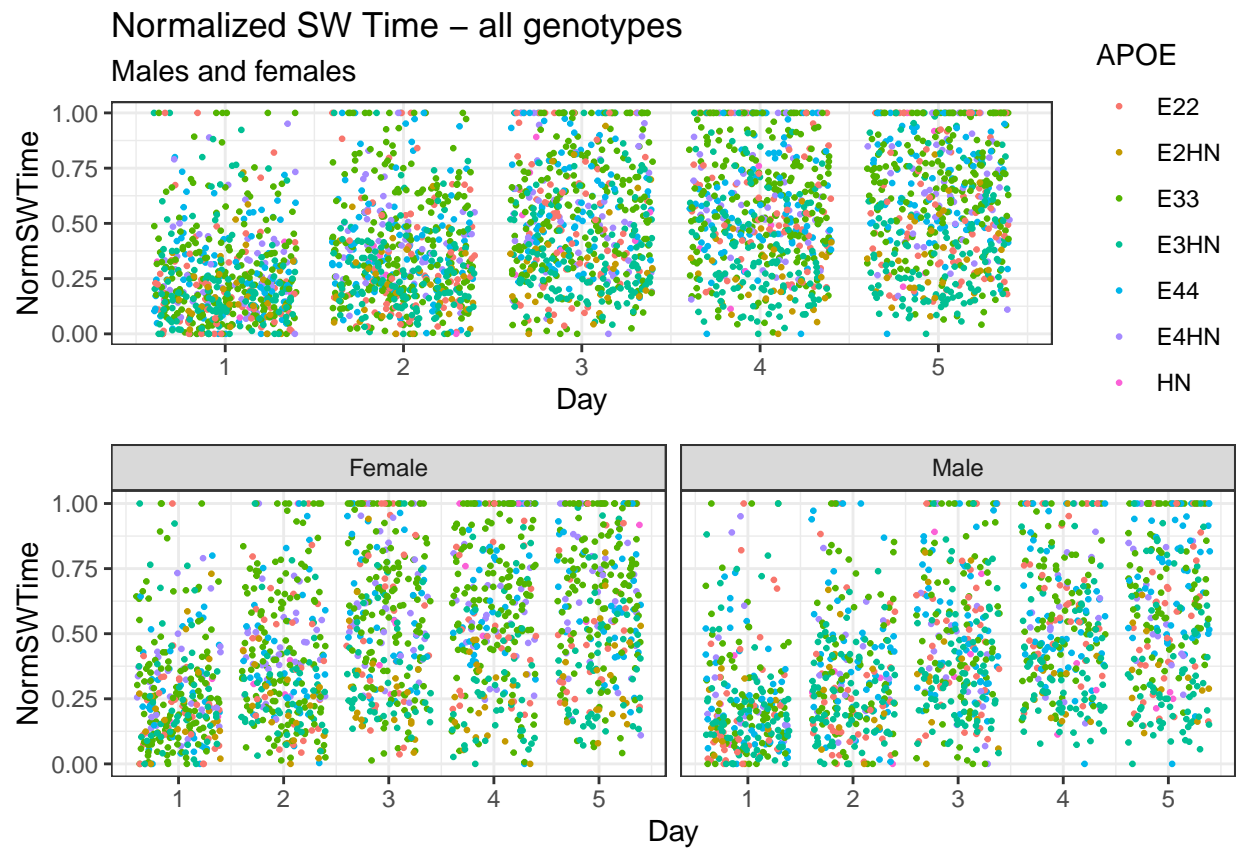

Males and females

## SW Time – non-HN genotypes

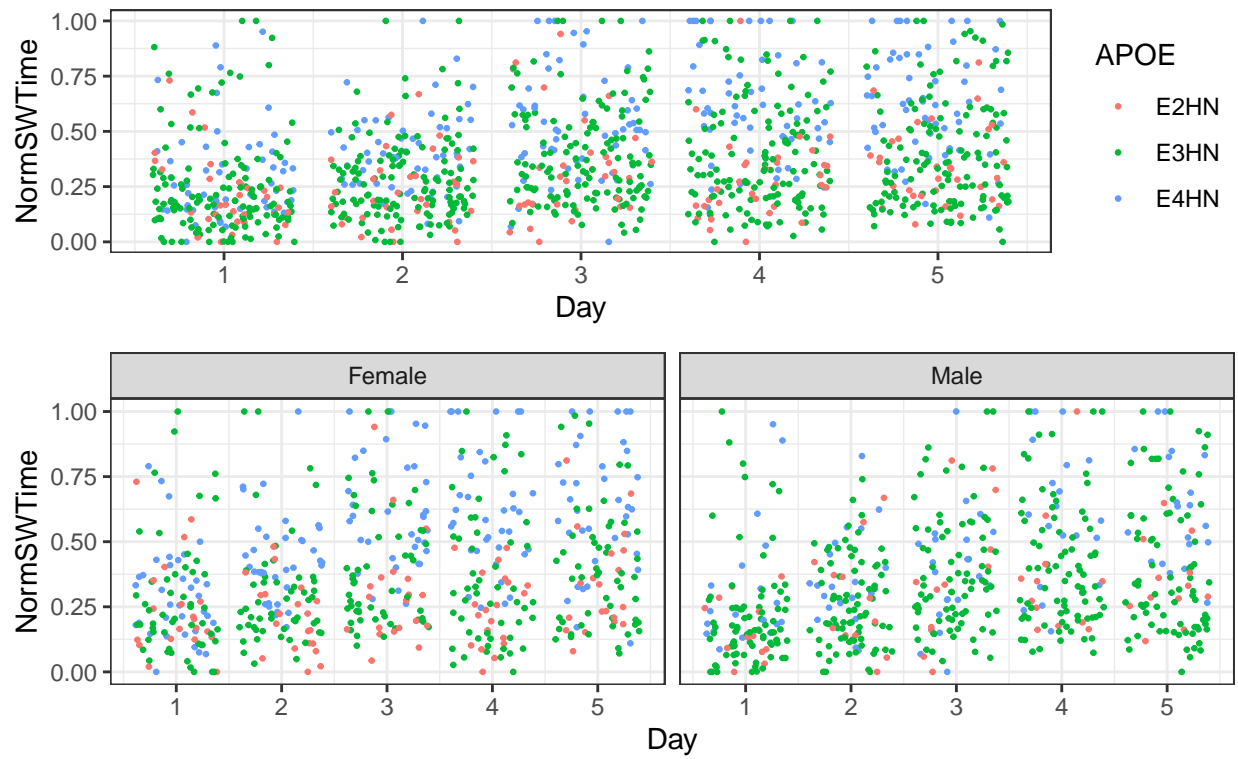

Males and females

## Normalized SW Time – HN genotypes

Males and females

## Normalized SW Time – non-HN genotypes
